FROM THE PRESIDENT

It might still be November, but Winter is here. It's been a busy and exciting final quarter for the WBA, and we wanted to take a moment to reflect on everything that we've been up to, and everything still ahead, as we wrap up the year together.

Our monthly meetings have taken us all around town lately, from the Little Black House to World Wide Stereo to Entrust Financial and AFC Fitness, and it's been energizing to connect in so many different spaces within our community. Thanks to all our hosts for being so welcoming and opening their doors to us.

We also celebrated several ribbon cuttings at Jade Rabbit, Keller Williams, Nature's Vin, Philadelphia Print Shop, Triple Crown, and World Wide Stereo, jumped into a lively megamixer with several other local business associations with an attendance of over 100, and enjoyed a fantastic Philadelphia Eagles themed Wine'd Through Wayne. We had one of the most highly attended Radnor Fall Festivals and Wayne Trick or Treats in our history. Last but not least, the Fireside Chat with Ryan Ogle from the PGA Championship Tour (coming to Aronimink in 2026) was a real highlight. It's not every day we get that kind of insider perspective. You can read all about each of these events in further detail in this newsletter.

Now, we're heading into one of our favorite stretches of the year. On December 5th, we'll gather for our Christmas in Wayne Tree Lighting presented by Main Line Sound and Video, complete with festive trolleys, our Emcee Ducis Rogers from 6abc Action News, and appearances by the Grinch, Mrs. Claus, and Cindy Lou Who. We'll have Victorian carolers, crafts in the fire house, the brand-new ice skating rink, fire pits, carnival games, and a hot donut truck all in the Wayne Winter Village located in the parking lot next to Gingy's, and of course Santa Claus himself. It's shaping up to be one of our most festive celebrations yet. The very next day, December 6th, is the Santa Parade, followed by pictures with Santa at the Wayne Presbyterian Church Courtyard till 11:30am.

We'll close out our 2025 Wine'd Through Wayne series on December 11th with the always-popular Happy Holidays edition. Don't forget your favorite seasonal sweater. We're already bracing ourselves for some unforgettable fashion choices, so get your tickets soon – they are already on sale! See page 12 for a recap of our last Wine'd Through Wayne and more information on our upcoming version, along with a QR code to buy your tickets.

And a quick shout-out to all of you – **we just hit 300 members!** It's a huge milestone and a reminder of how much this community has grown (and how fun it's been along the way). Thanks for showing up, supporting each other, and making this organization what it is. Here's to the next 300 and an amazing 2026!

Thank you all for the energy, support, and community spirit you bring to everything we do. We're looking forward to celebrating the season with you and finishing the year strong.

MEMBER HAPPENINGS

RIBBON CUTTING - KELLER WILLIAMS DEVON-WAYNE

Keller Williams Devon-Wayne proudly marked the opening of its newly renovated office with a ribbon-cutting celebration attended by community leaders, business partners, and local residents.

The event highlighted the company's commitment to growth, innovation, and exceptional service in the region. Guests toured the modern new workspace, met the leadership team, and learned about the expanded resources now available to agents and clients alike.

The ribbon-cutting symbolizes a new chapter for Keller Williams Devon-Wayne as it continues to invest in the community and empower real estate professionals to thrive.

Keller Williams Devon-Wayne is located at 744 West Lancaster Avenue, Suite 125, Wayne.

RIBBON CUTTING - JADE RABBIT

NOW OPEN! Wayne's first underground speakeasy that celebrates the spirit of tradition, modern storytelling, and the timeless art of caring for others.

WBA board members brought the big scissors and cut the ribbon on this amazing addition to downtown Wayne. Plus we got a sneak peek and a few tastes. We can't wait to go back!

Congratulations to the Win Restaurant team on another spectacular space. We are so glad you chose Wayne for your amazing restaurants!

Jade Rabbit is located downstairs in Maison Lotus at 175 Lancaster Avenue, Wayne. Reservations recommended, walk ins welcome.

RIBBON CUTTING - NATURE'S VIN

A very big welcome to Nature's Vin. We loved hearing the story of owner Ragini Parmar finding the historical Cowan's Flowers building and just knowing it was the right place for her business. "...thinking about how the building housed flowers and plants and nature... it was just perfect flow for Nature's Vin and our natural wines!"

Ragini and Certified Sommelier Elyse Lovenworth, a Wayne native, have created a space that has a cool, comfortable vibe with the polish of high-end service, offering the community a place to enjoy and learn about natural wines.

Make your reservations now for wine tastings and make sure to stop into their wine and gift boutique. Or better yet, meet them on the next Wine'd Through Wayne! See page 12 to grab your tickets!

Nature's Vin is located at 193-197 East Lancaster Avenue, Wayne.

AROUND TOWN

RADNOR TOWNSHIP OPENS A NEW PARKING LOT ON WEST AVENUE IN DOWNTOWN WAYNE!

We are very pleased to announce that construction is now complete on the West Avenue Parking Lot which ensures all Wayne visitors have plenty of parking options when heading into downtown for a bite to eat or a bit of shopping!

Radnor Township's West Avenue Parking Lot is located directly across the street from the AT&T Building, adjacent to the train tracks, on West Avenue.

Renovation highlights include:

- West Avenue Parking Lot opened November 3, 2025
- 108 new parking spots
- Kiosked parking & ParkMobile app available
- Modern design aesthetic including new plantings, blacktop, and lighting
- Convenient, direct sidewalk access to Downtown Wayne for visitors, diners, and shoppers!

Thanks to the Radnor Parking Auxiliary, two kiosks for metered parking are now available and the ParkMobile app is also a payment option at the West Avenue Parking Lot. **Please note**, payment for parking will ask for input of your license plate number instead of a numbered parking space. After considering public requests for a change to park by license plate, Radnor Parking Auxiliary has successfully implemented this change in the West Avenue Parking Lot and by 2026 all Township parking lots will implement parking by license plate.

We welcome everyone to enjoy the new West Avenue Parking Lot just a few hundred feet from Wayne restaurants and businesses this holiday season and year-round!

(The current Bellevue Parking Lot on Lancaster Avenue near Boyds is now closed to the public and is under construction as it will soon become 60 West, a 45-unit residential space including underground parking.)

IN MEMORIAM

ARTHUR ROY LEWIS, JANUARY 5, 1931 – AUGUST 6, 2025

Arthur Roy Lewis Jr. was born January 5, 1931, in Philadelphia to proud parents A. Roy Lewis and Anne Gault Lewis. An only child, Art was raised in Havertown, PA and attended Haverford High School where he excelled in the classroom and athletics, especially soccer. He spent his summers in the Catskill mountains and Stone Harbor, NJ, inspiring his lifelong love of nature, fishing, and the Jersey shore.

In the fall of 1948, Art entered Swarthmore College as a pre-dental student, inspired by his father who was a dentist. Perhaps the only time he disappointed his father was two weeks after the semester began, Art informed him that he wished to pursue engineering instead. Art graduated at the top of his class in mechanical engineering and later earned a master's degree in M.E. from Drexel University. Art served his country in the U.S. Army Chemical Corps and then spent his entire professional career with the Philadelphia Electric Company, retiring as chief design engineer in 1991. After retirement, Art spent five years in consulting in government programming designs.

Always an exceptional student and level-headed thinker, Art made the wisest decision of his life asking Lois Smith, whom he had met during their senior year at Swarthmore, to be his wife. They wed in 1953 and, shortly thereafter, found a home on the Main Line within walking distance of the Paoli local train to Philadelphia. They settled on a charming, green house in Wayne which they bought for the hefty sum of \$21,500. Thus began Art's lifetime commitment to fixing up an old home with Lois as his partner, enjoying his growing family, and serving his new community.

Within several years of moving to Wayne, Art began what would become his second career, and many would argue, his most exceptional, which was public service. He and Lois joined the Wayne United Methodist Church, which would become an important part of their life together. Art served as the finance committee chair for more than 30 years and as a Sunday school teacher long after his own children had grown up. Lois ran the church rummage sales and led their daughters' Brownie troops which met in the church basement.

As their family and roots in the community grew, Art became involved in local politics, Radnor public schools, coaching, and multiple charitable organizations. One of his proudest achievements was starting the Radnor little league soccer program at RHS with handmade goals and color-coded tee shirts sponsored by local businesses. Art and Lois ran this program every Saturday morning for years, from Labor Day until Thanksgiving, introducing hundreds of local children to the sport they loved. As the years went by, Art continued to say 'yes' to most volunteer opportunities offered to him.

This long list includes:

In his various roles, Art always acted as the consummate gentleman, respectfully listening to everyone and working hard to build consensus. His primary concern was the best result for the people of his community. His exceptional leadership and integrity earned him many honors including the "Key to Radnor Township" and the nickname "Mr. Radnor" from his admiring peers who also recognized that behind the scenes, Lois patiently acted as his secretary, scheduler and public relations manager.

Despite his busy schedule, Art was always at the family dinner table, helping with homework, attending his children's games, and serving in his most cherished role as a father. His favorite time of the year was the annual family vacation in Stone Harbor with his children which grew dearer with the addition of grandchildren. In 2013, Art and Lois moved to White Horse Village in Newtown Square and spent many happy years there. They are very appreciative of the good care provided to them by the staff.

Art chose to live a simple yet incredibly rich life, devoted to his family, work, church, community, and country. He was a wonderful son, husband, father, and citizen, respectful, kind, fun, and a role model for all who knew him. As we bid farewell to this extraordinary man, we take comfort in the knowledge that his legacy will endure.

Art is survived by his loving wife of 72 years, Lois and his four incredibly grateful children Barbara Borzillo (John), Bonnie Torcivia (Will), Andy Lewis (Ginger), and Pete Lewis (Luis), eight grandchildren Ryan Borzillo, Rose Yablon (Josh), Joseph Torcivia (Jenny), Cody Torcivia, Emily Torcivia Luna (Rol), Barbara Lewis, Drew Lewis, and Lizzy Lewis and four great-grandchildren, Sonny and Chase Torcivia, Benny Torcivia Luna and Miles Yablon.
